# Clophill Preschool News

Autumn is one of the times of year the children love the most. We've caught falling leaves, gone on spider web hunts and learned how to pick up prickly sweet chestnut cases safely. Katie has done her Mini Moves session outside for us and Chris the Music Man has been playing the drums with the children, getting them to follow a beat and copy patterns. We've been **seesawing, hula hooping and balancing**. We've used clay to make divas and to print

leaves, washed and weighed babies in the mud and sung ten green bottles while standing on our climbing wall.

The nature garden is taking shape and the bugs have moved into Darcie's Bug Hotel for the winter.

Our pumpkins were harvested, opened, scooped out and carved for Halloween. Our Halloween Stone Hunt went well, thank you to everyone who participated and huge thanks to Michelle Akay for all her hard work and fabulous artistic skills! We're delighted that The Hive in Shefford is kindly supporting preschool too.

This week was Diwali and we celebrated with Chris the Music Man who brought in Hindu instruments to play for us and we decorated our clay divas. We also made our own version of **Rangoli patterns using leaves, stones and sticks**.

Christmas is fast approaching and we've once again written our own Nativity...oh no we haven't...oh yes we have! In the meantime we have our **Christmas Market** on Tuesday 20th November, 7pm-9pm at the village hall. Entry is £2, which includes a raffle ticket for our prize draw. There'll be over 20 stalls selling handmade cards, organic candles, toys, books and more – oh, and the bar will be open! We also have our fund-raising **Christmas Craft Morning** on Friday 21st December when we'll have lots of craft activities for the children to do as well as fun games and the opportunity to meet Santa.

With our fundraising we hope to fund courses for our staff and new resources for the children as well as the renovation of the groundworks at the rear entrance to preschool.

Finally, a quick reminder that we have our **clothing and bedding collection on Wednesday 14 November** – if you have anything to donate just drop it into to preschool or 57a High Street, thank you.

## Christine's quick 'n' easy recipe

# Pasta with Sweet Pepper Pesto

### INGREDIENTS Serves 4

- 400g short pasta
- 2 red and 2 orange peppers
- 2 cloves of garlic, peeled
- 2 small bunches of basil leaves off the stalk
- 60g pine nuts
- 100g freshly grated parmesan
- 4 tbsp extra virgin olive oil
- salt to taste
- 400g of ricotta

1. Bring a large pan of salted water to the boil.
2. Wash the peppers and cut into thin slices, discarding the stalks and seeds.
3. Heat 2 tbsp olive oil in a large frying pan on a moderate heat then gently fry the peppers until they're soft but not browned. Set aside to cool.
4. Cook the pasta in the boiling water for about 10 minutes until 'al dente' – cooked but still firm to the bite.
5. In a liquidiser place the cloves of garlic, pine nuts, basil leaves, 75g of parmesan, ricotta, 2tbsp olive oil and the cooked peppers and liquidise until you have a smooth sauce.
6. Once the pasta is cooked mix well with the sauce and sprinkle with the remaining freshly grated parmesan.
7. Serve immediately.

- *Just a reminder that if you like chestnuts there are plenty to be gathered along the grass verge of the A6 in the Bedford direction. They're much better than the ones available in the supermarkets and completely free of charge!*

# St Mary's Church News

More than 70 people of all ages came to St Mary's Church on October 7th to celebrate Harvest Festival. The school led much of the service, including a presentation of '**Give peas a chance**', which is the Bishop's appeal for harvest this year. Cash donations in the collection were given to this appeal, while the gifts of dry and tinned goods went to Noah Enterprises, the charity for homeless people in Luton.

A lunch of baked potatoes with assorted fillings followed by a variety of puddings was enjoyed by about 40 people on October 17th, and **raised £171 for church funds**. The lunches held alternately at the two churches are always an enjoyable occasion and all are welcome.

The service for **Remembrance Sunday** on November 11th will start at 10.15am. All organisations in the village are invited to lay a wreath at the War Memorial, and anyone who is entitled to do so is invited to wear their service medals. The **Christingle Service** on December 2nd will begin at 3.30pm after the Nativity at the Old Church. There will be no service in the morning.

# Come into the Garden

with *Kate Gardner*

November is a good time to review your garden, cutting back and tidying borders and making a note of any changes, additions or divisions you wish to make next spring. It's best to do this while the thought is fresh in your mind, as it's hard to remember back to how it looked once spring comes around.

Leave seed heads on flowers and shrubs and delay cutting these back until late winter, as they provide a home for overwintering insects. Tidy up leaves from around the garden and add to the compost heap, or place in separate bins or black sacks to make leaf mould. Some leaves, such as plane and sycamore, are slow to break down, and can delay you using your compost if you mix them into the general heap. Leaf mould makes an **excellent soil improver** and can also be used as a seed-sowing medium.

Digging the soil, especially bare patches, will expose pest larvae and eggs to birds and frost, as well as clearing weeds. Don't leave soil uncovered for too long, though, as it runs the risk of erosion and valuable nutrients being washed away. Add a mulch – it not only protects the soil over the winter but the action of worms pulling the mulch into the depths will help improve the vitality of our sandy soils.

**Divide perennials that flower before midsummer's day**, such as oriental poppies, peonies and lupins, as well as spring-flowering hellebores, pulmonarias and Solomon's seal. Dig up, divide and replant straight away. Now is also the best time to cut away the old leaves from your hellebores, which will allow the flowers to be seen through the winter. Perennials that flower after midsummer are best divided in the spring – that's a good general rule.

Taking root cuttings from perennials like phlox, verbascum, oriental poppy and acanthus is **a good way to make new plants for free**. Select young, vigorous roots, about the thickness of a pencil, and cut them off, close to the crown of the plant. Only remove a maximum of one-third of the roots and then replace the parent plant as soon

as possible back into the border. Discard the thin root end and remove any fibrous side roots. Cut each root into 5-10cm (2-4in) lengths making a horizontal cut at the upper end and an angled cut at the lower end. Fill pots with a free-draining compost – such as equal parts peat substitute and gritty sand or perlite. Insert the cuttings about 4cm (2in) apart so that the horizontal cut surface at the top of the root is just below the surface of the compost and then cover with a thin layer of grit. Water the compost lightly and place the pots in a sheltered space or cold frame outside. In the following spring, pot up into individual pots when the cuttings show signs of growth and are well-rooted.

**Happy gardening!**

# Clophill & District Flower Club

Our meeting in October was advertised as **'A practical evening with a difference'** – which was code for a workshop/dabble evening. These crafty evenings have become a very popular, sociable and enjoyable fixture on our calendar and over 40 members attended.

Introducing the evening, our chairman Carolyn Cranswick explained that it was an opportunity to learn new creative skills. Five different practical activities had been organised by the committee, supported by two members. We had card-making, decorative bows for flower arrangements or parcels, corsages/brooch making, wrist corsages made using manipulated wire.

After demonstrations by the activity leaders, each group settled down in earnest to an evening of chat and creativity. All the resources were supplied by the club and many participants managed to complete two, if not three, of the activities. The results were very impressive and many were surprised to find that they had hidden talents.

Our next meeting is on 6th December for **'The Magic of Christmas'**.

Tickets cost £6 for members and £10 for non-members, and include mulled wine and mince pies. To book, call Gillian Hill on 01525 860539.

# St Mary's School News

Last month our Year 4 Children attended a harvest celebration at St Alban's Abbey, where they sang beautifully and represented the school wonderfully. The school also joined with St Mary's Church for their harvest service – the children who read did really well and we were very proud of them. This year the school and church made their donation to NOAH, a local charity supporting people who have nowhere else to turn.

NOAH sent the following message to the school: 'Both the Church and the School have been very generous supporters of NOAH for some time now; indeed, only recently a small group of young people visited the Welfare Centre and our Furniture Store, where they learned a little more detail about the people they support and the work NOAH does in trying to improve the lives of those in severe disadvantage. Hopefully, they could see just how much their gifts help in our work. "Thank you" doesn't seem enough for your continued support but, on behalf of those we help – a massive thank you.'

Our children had some fantastic experiences in October, including being taught by a qualified gym coach. Some of our Year 4s represented the school at a **Tag Rugby tournament**...they played really well and had a very enjoyable time. There was also a **Fruit Workshop**, where the children sampled exotic fruits like dragon fruit and passion fruit and powered a food blender via a bike to make their own smoothies.

We also welcomed the **Bible Worship Exhibition and Workshop** into school. The children had the opportunity to look at various Bible stories on display and the group then enacted these stories and the children were able to ask questions at the end.

Victorian schoolchildren

At the beginning of November our older children had a wonderful trip to Milton Keynes Museum to support their topic on **Victorians**. They dressed up and were able to experience what life would've been like in the Victorian era.

Finally, Friends of St Mary's (the school's PTA) were extremely busy organising an amazing Fireworks Night. A big thank you for all that they did and continue to do to help support the school.

We'll be **performing our school play for the over-65s** in the village on Monday December 3rd at 2pm. Invitations will be sent out nearer the time, but please feel welcome to call or email us beforehand to let us know if you'd like to attend. We'll also be inviting parents who have children in the play and would like to bring their pre-school children too. Contact [generaladmin@clophillstmarysschool.co.uk](mailto:generaladmin@clophillstmarysschool.co.uk) or call 01525 860206.

## Our value for November is *Compassion & Forgiveness*

Compassion, Sympathy and Forgiveness have much in common but are stronger in meaning than simply 'feeling sorry for' someone. The words have their roots in the idea of putting yourself in someone else's shoes and experiencing what they experience. This leads to a desire to do something. It's not about 'doing good' or simply 'remembering those less fortunate than ourselves'. Compassion requires an act of imagination and humility to share in the lives of others.

We'll be helping the children learn about this through imagining what it might be like in someone else's position and thinking about what we might be able to do in support of this.

## **Acorn Nursery News**

Acorn Class have been busy exploring all the natural materials that Autumn provides. They've been running through leaves and gathering conkers and acorns from the field. It's been an excellent opportunity to practise counting twigs, learning the colours of leaves and discussing the seasonal changes of trees.

# Clophill United Charities

## Christmas donation to Widow(er)s and Pensioners – December 2018

This year the distribution will take place in early December:

**Saturday 1st December** 10am-noon in the Oakley Room, St Mary's Church

**Sunday 2nd December** 10.30am at Beverley Court

No person or group is entitled to receive this benefit as of right.

Please be aware that forthcoming Christmas donations should only be claimed by those widow(er)s and pensioners who are really in need of extra help at an expensive time of year and not by those who don't need it.

This will enable us to provide help to others throughout the year.

Posters will be displayed in the village during November as a reminder of these times.

**Please remember** that all through the year, Clophill United Charities are able to help Clophill villagers of all ages in times of hardship. If you, or anyone you know who lives in the village, is experiencing financial hardship please contact our clerk, Gillian Hill, on **01525 860539** in total confidence.

## Failed to Return

**Monday 3rd December, 7.30pm for 7.45pm**

In this '**Air Mystery**' talk, Tony Eaton reconstructs the fatal last flights of two British wartime icons – aviatrix Amy Johnson (1941) whose RAF plane crashed into the Thames Estuary, miles away from its authorised flight plan, and film star Leslie Howard (1943), killed when the unarmed civilian airliner in which he was a passenger was shot down over the Bay of Biscay.

The bizarre circumstances of their deaths have long been the subject of speculation and conjecture. Tony now separates the facts from the fiction and addresses the persistent rumours that the complete records have been deliberately withheld from public scrutiny.

# Remembering Clophill's Fallen

*Continuing our series of the centenary of Clophill's brave men who lost their lives in the First World war...*

**Cyril William Perkins Smith** died of pneumonia on 22nd November 1918, aged 29. Cyril was born in Clophill in 1889. In 1911 he worked as a tobacconist and lived at 'Sunnydale' (now No 2 Bedford Road) with his parents John Henry, known as Henry, a grocer, and his mother, Elizabeth. Cyril was their only son.

Cyril served with the 1st/6th Battalion, Essex Regiment, and formerly the 5th Battalion Bedfordshires. He enlisted in 1914, but was wounded soon after. He then suffered with blood poisoning. Later that year he wrote to his mother: *'You would hardly know me. I am as brown as berry, and have grown a moustache. There are plenty of amusements, and last night we had a cinema at the Y.M.C.A. I would rather be here than at Halton Park, though there is nothing but sand. I am as happy as a sand martin. We are guarding Turkish prisoners, and I would put up with this for the duration of the war. I am keeping a diary, which will be interesting for you to read. Some of the boys are of an opinion that the war will terminate before Christmas. I have seen several of the Bedford Engineers, and one of the Silsoe Lads, as well as several Signal Sections from Haynes Park. The Bedfords are only 2 miles away, but I have not had a chance as yet to chat to them.'*

By 1917 Cyril was serving near the pyramids and was then wounded again and hospitalized. Subsequently he travelled through Egypt, Macedonia and Palestine. He informed his family that *'they have not only the enemy, but the climate, disease, and often scarcity of water to contend with... the most gratifying sight after traversing miles and miles of desert and wilderness was a fertile region, where abounded in abundance groves of palms, fig orchards, beautiful melons, and hedges of lovely pears, which they were allowed to sample'*.

He continues to write home regularly – here describing the Christmas of 1917: *'It rained all day. The menu was: Breakfast, 1 rasher of bacon; dinner, bully and biscuits; tea, jam. I wonder what you were having for dinner. We had no Christmas puddings. I suppose the French boys had them!'*

Cyril is commemorated in Beirut War Cemetery, Lebanese Republic.

# A huge thank you...

... to everyone who helped or supported us at our jumble sale at the Village Hall last month. Thank you also to those kind supporters who gave us jumble to sell! We're delighted to have **raised £700** – the amount includes a generous donation of £50, a 'rounding up' donation of £29.15 plus £50 book sales. The total is set to rise as items have been put aside to sell on eBay and we'll soon have another collection of books to sell as well.

We'll be holding our next jumble sale in April so do get in touch if you have any clean, good-quality items as well as any books – you can donate at any time as we have room to store everything.

If you'd like to help at our next sale, or would be interested in finding out more about our group's activities, which include fortnightly shopping trips for residents, call 861110. Sue Pearson

## **Grant Aid**

After discussing some of the applications we've received for Grant Aid, we've decided to fund Clophill Pre-School £2,000 towards the development of their outdoor area. This includes paving, ground works, fencing and a new metal gate. We considered the fact that much of what they want to do is to improve the aesthetics of the area that will also impact positively on the village hall (built on Clophill Parish Council land) as well as improve safety and security. They are a successful not-for-profit organisation and we feel our support only improves the service offered. We noted Pre-school is also tirelessly fundraising towards these improvements.

We also awarded Keech Hospice £240 towards their Music Therapy service – which equates to the cost of five lessons. We felt this was a great charity and noted residents of Clophill have benefitted in the past.

## **Teen shelter**

In last month's Spotlight we reported that the long awaited teen-shelter 'should now be open in our rec ground'. Eagle-eyed residents will have noticed that wasn't the case. There were last-minute delays due to issues with the specification of the shelter – we apologise for this and hope the issues will be resolved soon. We'll keep you posted on the future date for the shelter's installation.

## **Improvements to footpath**

Last month we referred to spending some public funds on improvements to the footpath on the High Street from the alleyway near the old Post Office through to Number 77, to help improve the issues surrounding the gradient of the present pathway. Your responses have been very positive – thank you. Before we commit to spending the money, we wanted to explain that a 'standard blacktop footway' would cost £19,422.27, and we'd share those costs 50/50 with Central Bedfordshire Council.

However, if we wanted to have a 'golden gravel finish', the costs would be an additional £9K to the Parish Council. We believe the gravel finish would be the best option, but we're keen to hear from villagers on this use of your parish funds. If anyone in the village feels strongly for or against this, please let us know – you can email [terry.lee@clophill-pc.gov.uk](mailto:terry.lee@clophill-pc.gov.uk) or respond to our post about this on our Facebook page: [facebook.com/clophillparishcouncil](https://www.facebook.com/clophillparishcouncil).

## **May 2019 local elections**

On May 2nd there will be local elections in our area, including an election for the positions in the Parish Council. If anybody wants to put themselves forward, we'll share information regarding how to nominate yourself.

## **Parish Council Vacancy**

We have a vacancy at Clophill Parish Council. For more information on the role, please contact our clerk, James Stirling, at [clerk@clophill-pc.gov.uk](mailto:clerk@clophill-pc.gov.uk) or write to him at 31 Plum Tree Road, Lower Stondon, SG16 6NE. ## Planning

### CB/18/03830/FULL

Location: 18 High Street  
Proposal: First floor rear extension

**SUPPORT**

### CB/18/03639/FULL

Location: 1 Paradise Farm, The Causeway  
Proposal: Permission is sought for change of use of land to a residential caravan site for two Romany families. The two pitches to contain two static caravans, two touring caravans, parking for four cars with associated infrastructure.

Objections include: all previous planning conditions have been ignored; outside the village envelope; no detail on how foul water is disposed of; sufficient windfall sites in Central Bedfordshire suitable for the Gypsy and Traveller community.

**OBJECT**

### CB/18/03243/OUT

Location: 12 Back Street  
Proposal: Detached four-bedroomed dwelling and garage

We have no comments to make on this application. However, the Parish Council notes the concerns raised by neighbours and would request that CBC address these utilising the expertise that their officers hold.

### CB/18/03224/FULL

Location: 24 Back Street  
Proposal: Erection of one detached dwelling.

**SUPPORT**

### CB/18/00433/FULL

Location: The Green Man, The Green  
Proposal: Erection of a new dwelling and conversion of existing listed building into two residential apartments.

Objections include: the new building will look out of context with its surroundings; the distance between the proposed flats and the house is small and will be overbearing on the developments; we feel that this is overdevelopment of a small site.

**OBJECT**

### CB/18/03135/FULL

Location: Land to the rear of Green Man, The Green  
Proposal: Erection of two double garages for Plot 1 and Plot 2

Objections include: there has been no detail provided on location of bin collection points or cycle stores; the number of parking spaces proposed (4) are insufficient for the number of rooms (8) proposed for residents and visitors as street parking is limited and would have an impact on Highway safety; we feel that this is overdevelopment of a small site.

**OBJECT**

The next Parish Council meeting will take place at the Methodist Church  
at 7.45pm on Tuesday 27 November
