### A word from the Editor...

# Hello...and goodbye!

After several years at Spotlight, I'm stepping down – but I'm delighted that two lovely villagers have volunteered to take over.

So please welcome **Elaine Jones** who is the new editor and **Emma Frost** who is the new ad manager. A huge thank you to both of them for taking on these roles – without them, our local village magazine would have had to close.

Please keep sending in your articles, news reports and events posters so that Spotlight can continue to be a brilliant resource for our village.

Spotlight will be back again in May

### **News from Clophill Heritage Trust**

Spring has definitely sprung at The Eco Lodges and our team has been busy splitting out the saplings around the site and moving them to give the young trees room to grow. We only plant native species on site and are working to develop more hedgerows to provide cover and nesting sites **for wildlife**. The range of birds that visit our feeders at The Eco Lodges is impressive and we love being able to watch flocks of long-tailed tits, coal tits. blue tits and chaffinches – we've even spotted the occasional tree creeper and wood pecker. The feeders are positioned in front of The Nest windows and so can be viewed from the comfort of our sofas during our cafe openings.

For the second year running we're thrilled to be a part of **Greensand Country Festival** which takes place from the 1st-31st May. The festival is a celebration of Greensand

Country and aims to encourage people living in this distinct landscape to get out and explore the beautiful countryside on their doorstep. From Leighton Buzzard to Gamlingay there'll be a whole host of events including open gardens, churchyard tours,

history talk, nature walks, treasure trails and photo workshops and children's activities. For a full listing pick up a guide from The Eco Lodges or see www.greensandcountry.com

Clophill Heritage Trust are actively **seeking new volunteers** so if you have a couple of hours spare a month and would like to meet new people we'd love to hear from you. Volunteer opportunities include helping at events/cafes, gardening and site upkeep, history tours and marketing. Please contact one of the wardens on *07935 911207* or email *Info@ClophillEcoLodges.co.uk*

### **Hurrah for fund-raising Cora!**

One of our villagers, Cora Sheppard, has raised £1,020 for Multiple Sclerosis Trust. She achieved this amazing total by sending out charity-approved letters to friends and family asking for cheque donations. To help raise even more money, Cora will be selling bric-a-brac at this year's fete in May.

Each year, Cora organises events, sales and raffles to raise funds for charities including Keech Hospice Care, Alzheimer's Research and Diabetes UK. **Well done, Cora!**

# Clephill Prescheel News

It's not just the trees that have been blossoming at preschool but the children's creativity, too. They've made junk model robots' suits and worn them around the setting, moving their bodies and using their voices to create their robotic characters. They've made cameras from boxes to 'photograph' friends and nature, enjoyed storytelling and role playing and used Playdough to roll and shape into snakes and snails.

We're busy practising our dance with Katie for May's church fete –

the children will be performing at 2.30pm so do come and watch them. There has also been lots of **muddy play** as the children create their own recipes in the mud kitchen – counting spoonfuls of mud, sprinkling in handfuls of gravel and adding different

shaped leaves as they concoct and discuss what they're 'cooking'.

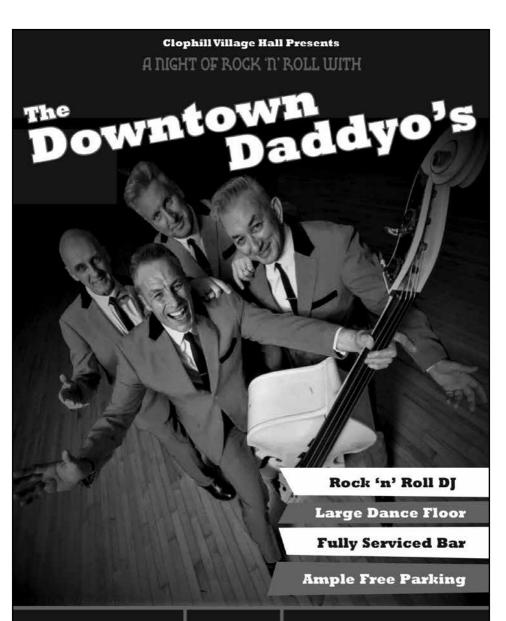

Through observing our children and assessing their levels of engagement we're developing our environment both indoors and out. We've made subtle changes to our setting, like removing the plastic play houses and garage and replacing them with our wooden blocks and planks of wood to allow these wonderful imaginations to create their own ramps and homes. The children can now decide what shaped blocks to use to create their house, use mathematical skills to figure out how to construct it and use the planks to create ramps for the cars, seeing how the height can alter the speed and distance travelled. And all the time using their brains so very much more and enjoying a sense of achievement when they're finished.

A sad bit of news...our outdoor area has been broken into for the third time. Resources have been broken, rubbish left and glass scattered where the children play. We hope to raise funds at our Easter Hunt and Craft event on the 14th to repair the damage. We won't be discouraged by the vandalism of our setting – we will continue to flip

pancakes, **fly on magic buses to faraway lands**, make dens from tree branches, build pathways in the mud, create story sticks...the joy of learning will never end.

### **Clophill & District Flower Club**

In March we had a very enjoyable demonstration by Area Demonstrator and Club Committee member Doug Howard from Stotfold (ably assisted by his wife, Janet). Doug's title, **'Colourful Creations'**, was echoed in his multi-coloured waistcoat and tie! And along with his love of colour, Doug's passion for different foliage ran through the whole demonstration.

For his first arrangement, Doug used a selection of spring flowers – iris, tulips, anenomes with pussy willow – which was followed by a display of yellows and oranges, including exotic kangaroo paw. Then came a tall purple and cerise creation.

After a lovely arrangement of various foliages and pink anthuriums, we were off to Italy, which Doug and Janet visit regularly.

As they will be celebrating their golden wedding

Kangaroo Paw

this year, it was fitting that the final arrangement included golden roses among white orchids, freesia and carnations.

**TIP!** Doug told us that used floral foam can be rejuvenated by placing it in a bucket and carefully pouring boiling water over it. The foam can then be put in the bottom of plant tubs as it will release water slowly and help to make watering less frequent.

For our demonstration on 2nd May, National Demonstrator David Thomson will be showing us displays

of 'Flora Mania'. We start at 7.30pm in the village hall. Tickets are £6 for club members and £10 for visitors. *Kate Smith*

### Come into the Garden

with Kate Gardner

While April is a busy month in the garden, it's important to take a few moments to sit in the sun, listen to the birds and admire the colours as

there is a real vibrancy about early spring. While it seems strange to be thinking ahead, now is the best time to make a note of any gaps in your spring planting so that you're ready to order your bulbs in the autumn for next year's spring show.

At this time of year, the lawn is actively growing so take some time to give it a bit of TLC. When it comes to **spring lawn care** there are three key jobs that need to be done:-

**1 scarifying** – removing the thatch

2 spiking – improving drainage and air to the roots

**3 top-dressing** – improving soil quality and adding a little feed.

### Lawn preparation

Begin by mowing the lawn so you can get closer to the soil beneath. Then, if you have any moss in your lawn, use a Lawn Sand to kill it off – skip this step and you'll spread living moss spores around the lawn when you scarify, making the problem ten times worse.

Scatter the Lawn Sand lightly and evenly over the lawn surface and then leave it for a couple of weeks to work.

### Scarifying

Once the moss is dead, you can rake it up by hand using a spring tined rake pulled firmly across the lawn surface – a great form of exercise, but be warned, it's hard work! If you have a larger lawn or don't fancy the workout then you can have a lattice sprifting or paragraphs with a the response to the second of the secon

use an electric scarifier or aerator, with either sprung tines or blades (check out local hire companies). The dead moss and thatch can then go into your compost or green recycling.

### **Spiking**

Spiking is easily done using a garden fork and spearing into the lawn every 6in (15cm). Go at least 4in (10cm) deep and give the fork a little wiggle to widen the holes slightly as you pull it out. This needs to be done across the lawn – a long, hard and boring job, but well worth the effort.

### **Top-dressing**

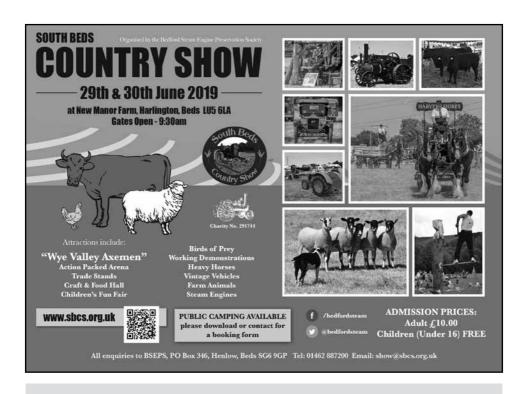

The final job is top-dressing over the grass with a 50:50 mix of sharp sand and John Innes No 3 potting compost. For a 12ft x 12ft (3.6m x 3.6m) lawn you'll need about one-and-a-half bags of each. Mix them well together and spread the mix as evenly as you can over the surface of the

soil. Now brush the dressing into the holes you pricked with the fork. This is traditionally done with a beesome broom but any stiff bristled broom will work. If you can, try and work from a plank laid on the lawn so that you avoid squishing the holes shut.

The end result looks pretty awful at this stage, but the lawn will love you for your efforts in the long run. Within a week you should be seeing strong green growth pushing through, and as spring advances into summer the turf will look better and better!

### **New Clophill Social Group**

Do you live alone and sometimes feel lonely?

Or do you live with other people but would like to meet different people occasionally?

**Clophill Community Care** is starting a new social group that may be what you're looking for.

Starting on May 2nd, the group will meet weekly on Thursday afternoons from 2pm in St. Mary's Church.

There will be a variety of activities such as cards, table top games, jigsaws and colouring plus occasional talks, crafts and entertainment. Or you can simply sit and chat with friends over a cup of tea.

Donations welcome to cover expenses.

Just come along or for information contact Julie on *juliebenson@talktalk.net* or Adrienne on 860875.

If you need transport please ring Community Care on 07791 773705

### **St Mary's School News**

After being rescheduled from March due to the high winds, our **Lent Games Appeal** was held earlier this week. The chosen charity is The Mind Map, which works in Bedfordshire schools focusing on the prevention/early intervention of mental ill health in children and young people. We're still totalling the amount

mental ill health in children and young people. We're still totalling the amount raised and will be able to share this next month. The school council arranged a successful fundraising day for **Red Nose Day**, raising an amazing £217. Well done to them and a big thank you to all who donated

We all enjoyed **World Book Day**. There were some fantastic costumes and we loved hearing about the children's favourite books. The staff also got involved, dressing up as Crayons to tell the Oliver Jeffers story 'The Day Crayons Came Home'.

The school has been lucky to have been visited by both the **Bedfordshire Fire Service** and the **Transport Police**. On both occasions they spent time talking about the work they do, how to stay safe and answering many excellent questions from our children, who also had the opportunity to see a fire engine and police van, use the fire hose and try on police uniforms.

Our Year 1 class led worship, where they told the story of David and Jonathon, linked to the value of Friendship. They worked really hard and had some very difficult lines. Year 3 led our Easter Service in church and were wonderful in retelling the story of 'The Three Trees'.

Finally, Year 4 have had a busy month with sporting events. Some of the class attended a transfer day at Robert Bloomfield Academy and thoroughly enjoyed learning how to play Boccia and Curling. There was also a swimming competition, where the children performed really well and, as always, were a credit to the school.

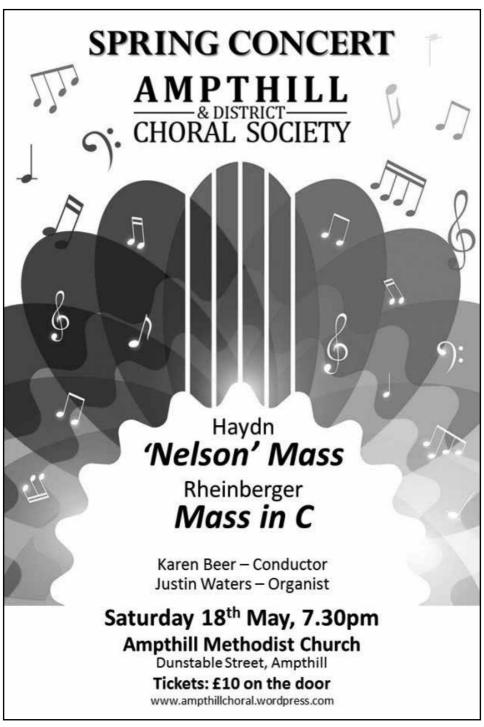

### Our value for April is $\int\!O{\cal Y}$

'A feeling of happiness and contentment brought about by special people, objects or events.' Joy is an inside happiness that makes it through to the outside – like the bubbles and fizz in a bottle of pop when you shake it up. When Christians get really joyful they do so because of God, because his presence is so great and big and loving. When the joy in God bubbles up within a person, it can come out as shouting, singing, clapping, playing instruments, or even dancing. Sometimes Christians write hymns or poems to express their joy.

### **Acorn Nursery News**

What a wonderful variety of costumes Acorn Class wore for World Book Day! The children were delighted to be visited by some Year 4 children who read the books they bought in from home to them. After attending Worship in the afternoon, to listen to a story acted out by teachers, we held an impromptu disco to round off such an exciting day. We've begun singing songs from the Jolly Phonics scheme. The children are very enthusiastic in learning how to say the sounds and the accompanying actions. We hope they've been sharing the 'a, a, ants on your arm' and 'the snake is in the grass, sss' songs at home with you.

We welcomed two special visitors – local author Richard Mayers and Clophill illustrator Abi de Montfort – who talked to the children about night time animals and read their new book 'The Hedgehog's Full Moon Party' to Acorn and Reception Class. We made a hedgehog feeding station named 'Hedgehog Cafe' and Richard kindly donated a Hedgehog house, which we've called 'Lavender House'. Both can be found outside Acorn Class and we look forward to seeing if any hedgehogs visit in future.

### Remembering Clophill's Fallen

This is the final article of our series commemorating the centenary of Clophill's brave men who lost their lives in the First World War. Arthur Gardner was the last to die of the 24 men who are commemorated on our memorial.

**Arthur Gardner** died of dysentery in Serbia on 10th April 1919, aged 32. He was born in 1887 in Broughton, Northants. His parents were Thomas William, an agricultural foreman, and Eliza. The family lived at Old Farm, Beadlow. Arthur was a farm labourer in 1901 aged 14. Unfortunately it hasn't been possible to find his whereabouts in the 1911 census, however he was no longer living with his parents. His father remained at Beadlow, working as a farm bailiff, and was living with his second wife, Florence.

In 1913 Arthur married Dora Mitchell in Stamford, Lincolnshire. The couple lived in Kempston around 1915 to 1918.

Arthur served as a Private in the 338th Mechanised Transport (MT) Co. Royal Army Service Corps. The 338th was formed in April 1915. Later it served in Egypt with 10th (Irish) Division and Salonika as army troops under GHQ command. At the time of Arthur's death his wife's location is given as Easton On The Hill, Northants and he is also commemorated on their memorial.

Ampthill News reported in May 1919 – 'We regret to record the death of Pte. Arthur Gardner, eldest son of Mr. T.W. Gardner, of Beadlow. He served for 3 years at Salonica in the R.A.S.C., M.T., and has recently been in Serbia, where he died from an attack of dysentery whilst attached to the Royal Serbian Army. His wife has received a letter from

the Rev. A. Milles, chaplain to the hospital where he died, saying that her husband passed away on April 10th, and was laid to rest with military honours. Dr Enslie, the Hospital C.O., the Matron, several Sisters, and officers and men of his Company were at the graveside, and had done everything possible for him.'

Arthur is buried in the Chela Kula Military Cemetery, Nish, Serbia.

 Although Arthur was the last of the men on the village memorial to die we've discovered two other men equally connected with the village who died serving their country. John Vincent Blackburn and Reginald Roberts are not listed on Clophill's memorial but we'll be telling their story next month.

### **Clophill Parish Council**

These notes are a resume only. Official minutes are available on the internet and notice boards. All official correspondence should be sent to the parish clerk and not individual councillors.

**Allotments:** If you're interested in taking up an allotment in the village, please contact James Stirling on 01462 887226 or clerk@clophill-pc.gov.uk James is also looking at the viability of a water supply at the Townshott allotments – he's keen to hear from allotment holders on how much of a charge you'd expect to pay for the water on top of your annual rent. Once a feeling about costs is known, the matter will be discussed at a future PC meeting

**Neighbourhood Watch Scheme:** Cllr Austin reminds villagers to sign up to the Neighbourhood Watch Scheme at *https://www.clophill-pc.gov.uk/information/watches/neighbourhood* Members of the scheme will receive information and a sticker for their door which reminds would-be cold callers that it's a criminal offence to try to sell on the doorstep. Up-to-date Neighbourhood Watch signage for individual streets and village entrances will be supplied when membership increases.

**Flit Valley Walk:** The Council heard about Phase 2 plans to extend the Flit Valley Walk all the way from Clophill to Shefford. Phase 1 is close to completion and an interpretation board and carved bench are planned to be installed near the bridge on the edge of The Green. Claire Poulton, programme manager of the Greensand Country Landscape Partnership, will provide more detail on the plans at a future meeting.

**Community Policing:** The community policing team will be available at the Co-op on the Green on the following dates: • 13th May (2pm-4pm) • 7th August (10am-noon) • 13th November (2pm-4pm) • 8th February 2020 (2pm-4pm)

Residents are advised to make good use of these renewed opportunities to discuss local policing issues.

**Recreation Ground Teen Shelter:** The teen shelter has now been delivered to the rec and we hope it will be enjoyed by young people, footballers and dog walkers alike. Cllr Hodge is organising some improvements to the bank as well and will be working with the Clerk to get one or more picnic benches installed in this area.

**The Green:** Parking at The Green continues to be a challenge and the PC is working with CBC and the Co-op to find options to help. Residents are reminded to please park with consideration and to not block the bus route or we risk losing the current bus services into the village.

**Grassed area next to the Co-op:** The PC has started a discussion with the owners of the Flying Horse to take over the grassed area next to the Co-op and make some minor improvements. We're also talking to the Co-op about a replacement picnic table and bench, as the current ones have been vandalised.

**The Lakes:** This continues to move forward and the PC recently had a very fruitful meeting with representatives of L&Q (formerly Gallagher Estates), a potential developer and GST (Greensand Trust). The plan is still to transfer all of the 'Lakes' land to GST minus a parcel off Shefford

### **Clophill Parish Council**

### Continued

Road for development and a parcel behind the school for future educational purposes. The development will have a RM (reserved matters) planning application submitted at some point in the future. There are still a number of steps before this stage is reached and there are a lot of legal obligations that the current landowner has to agree with Central Beds planning. The PC remains committed to working with all parties to obtain the best possible outcome for the village.

**Elections:** Don't forget that local elections are on 2nd May – ensure you're registered in time and make your vote count!

# The Stone Jug

**A Free House** 

BACK STREET, CLOPHILL

Despite many protestations from 'the Matriarch', Joyce is still very much at the helm (or so we tell her!). Vikki has been demoted (but she's still here, don't you know!) and Mark has moved into pole position and is doing exceptionally well. We're still very much a family-run village pub with our late dad's saying still ringing true

- 'We're a proper pub for proper people'. Cheers!
- 5 real ales, including 2 guest pumps that change frequently (see our Facebook page for details)
- selection of wines and Prosecco by the glass or even better, by the bottle
- home-cooked lunches Tues-Sat, 12pm-2pm
