News from Clophill Heritage Trust

The Old Church

Our photo shows Doris Pitts, the eldest resident of Clophill Village at 981/2 years young, with our trustee Richard Hudson. It was Doris's second trip to the church since consolidation work started – previously, she hadn't been for 30 years because of the anti-social behaviour. Doris is full of support for the church work and said she'd like to get a cup of tea and some cake at the lodges for her 99th birthday. We'll certainly be happy to do better than that for her!

Flying Teddy Bears

Thank you to all the volunteers for helping with the Teddy Bear launch on 5th July. This was a joint event with Clophill Lower School and Clophill Heritage Trust. There were five

launches with over 20 bears in each – a great start to a new family event, especially on a wet, cold day. The teddy bears arrived big and small. One had to be winched up the tower on its own as the full-grown adult-size bear couldn't fit into the launch bag and needed an especially big teddy bear parachute! Well done to Josh Stevens for assisting 'Harry' bear in flying within 8.2m of the target – quite an achievement with the gusts. We hope you enjoyed the winning prize.

The Eco Lodges

A local donation provided the purchase of wild flower and grass seed for the top soil laid around the eco lodges earlier in the year, and a colourful display was on show over the summer months. Vigorous weeding was required to ensure the desirable species were able to set seed. Thanks to the volunteers who helped.

Friends of Old St Mary's

We'd like to invite members of the community to become a 'Friend of old St Mary's'. Being a friend would involve some training about the history

of the site as well as landscape and educational information when accompanying selected groups up the tower. If you're interested in helping with our exciting new community asset then please contact *info@ClophillHeritage.org*

Charity collection of recyclable goods

Sunday 28th September, 10am-3pm, at 2 The Slade

Recyclable goods including furniture, books, clothes, household items and bric-a-brac will be collected for NOAH, a local charity supporting the homeless. Tinned food items will also be gratefully accepted.

'For the past six years, the children of St Mary's School have been donating their harvest produce to NOAH,' says Vaughan Wilton. 'Every year, the children look at

different aspects of NOAH's work and this year they will be learning about how we can recycle what the harvest has given us. NOAH is able to recycle different items, using its workshops and learning academy, giving the homeless and those in need the skills to find paid employment.'

It's hoped that on the day a van can be filled with donations from across the village. Further details from St Mary's School on **860206** or Vaughan on **860113**.

Clophill Open Gardens

The Rector and members of the Church Council are indebted to Sue Hughes who did an amazing job in organising and putting together the Open Gardens Weekend in June, along with her team of helpers.

The event proved to be a roaring success, thanks to all the gardeners and everyone who worked and contributed to its sense of fun, adventure and friendliness. It created a real buzz in the village and brought the community together over two wonderful and sunny weekend days.

We'd like, again, to acknowledge and thank those who generously opened gardens for their sheer hard work and to everyone who came along and supported the event. **Sincerest thanks to ALL** the many helpers, refreshment providers, organ players, programme and plant sellers, gatekeepers and others – not forgetting those who worked behind the scenes in preparation, running around and clearing up afterwards!

The record profit of **over £4,000** will be a tremendous help towards the upkeep and running costs of our village church.

Clophill through the years

by Colin Watt

Clophill during the Great War

When the UK declared war on Germany on 4th August, 1914, life in Clophill started an irreversible change. Many village men answered Lord Kitchener's call to enlist, mainly in the Army. Recruitment meetings were held on The Green and at the Cross Tree. The recruit had to be taller than 5 feet 3 inches and aged between 18 and 38.

In November 1914, three Clophill Boy Scouts – Alfred Jeffrey (16), Horace White (16) and William Sharman (15) – joined the Beds Territorials. The young men probably hadn't travelled far from Clophill and saw this as an opportunity for adventure. They thought that we'd easily beat the Germans and that they'd be home for Christmas. But, of course, they were wrong and it turned into a long war of attrition. Horace White eventually joined the 13th Battalion Royal Sussex Regiment and was killed on the Somme, aged just 18. By March 1915, 56 men had volunteered. There was local pressure on young 'eligible' men to enlist. After the Military Service Act (conscription) of January 1916 the total rose to over 100 men from the village.

An efficient mail service was set up as it was realised the letters from home were morale-boosters. Up to 12 million letters a week were delivered to the front lines. Families waited anxiously for news from the front. The letters that the troops wrote home gave the impression that everything was going well. Letters were censored, ostensibly to stop secret information being made public but really to hide the horrors of war from families back home.

In October 1915, Corpl. H.L. Cunnington wrote to his brother, a pupil in the Modern School "We are having a pretty good time, and getting shelled every few hours. It is great fun as long as you don't stop one, and you would enjoy it immensely if you were here."

The troops also enjoyed receiving parcels from home. In August, 1917, Private Harris wrote to his wife, saying he'd like a parcel each week, but nothing expensive. *"Send some big arrowroot biscuits*"

and one of your home-made cakes, and don't forget some tobacco and fags. I should also like some lard or dripping in a tin box. You know I should not ask for these things if I did not really want them."

Of course everyone dreaded getting an official letter saying that a loved one had been injured or, worse still, had died. The Clophill War Memorial records the names of the 24 service men from the village who died: 13 were killed in action, 6 died of wounds, 4 from illness and 1 drowned.

The villagers did what they could to support the troops. Money was collected to send them parcels. Smokers received cigarettes and tobacco, and non-smokers Oxo cubes and chocolate. The men at the front sent back letters expressing their warmest thanks for the parcels sent out from the village.

Feeding the soldiers at the front was an important task and jam was a favourite. When there was a shortage of fruit and the government made an order that 3d a pound would be paid for blackberries school children were given time off school to go collecting. In November 1917, Clophill school children collected 994 lbs of blackberries, the average weight per child being 11 lbs 13ozs. In 1918 they picked 1,212 lbs which was sent away for jam-making.

At the end of 1917 people began to fear that the country was running out of food. Panic buying led to shortages and so in January 1918, the Ministry of Food decided to introduce rationing. Sugar was the first to be rationed and this was later followed by butchers' meat. Clophill, being a market gardening area, might have fared better than urban areas.

The Rector of St. Mary's Church, the Rev. Cecil Lloyd Matthews, left Clophill to become a Chaplain to the Forces. He spent two years at the front and reached the rank of Major. At the end of the war, in a letter of resignation he refers to some who have apparently criticised him. *"I feel that it would be extremely difficult with the memory of what was done and said while I was at the front to work amongst them again in the spirit which is fitting in a parish priest towards his people."* What he did to upset some of his congregation isn't known.

Haynes Park was a training camp for Royal Engineers of the Signals Department. Many were billeted in Clophill and became a popular part of village life, marching to church and organising football matches, dances and concerts. The Parish Room was used as a Soldier's Room. Ladies of the village devoted their time to catering for the soldiers.

The Defence of the Realm Act introduced a lot of restrictions during the period of the war. Activities no longer permitted included flying kites, starting bonfires, buying binoculars, feeding bread to wild animals and discussing naval and military matters. Alcoholic beverages were watered down and pub opening times were restricted to noon–3pm and 6:30pm–9:30pm. Clophill, with its six public houses, must have been particularly affected. In 1916 the Summer Time Act introduced daylight saving by moving the clocks forward by an hour. Some villagers were finding it difficult to adjust. In a letter sent by Mary Ann Diggins to her son, Harry, she says *"They have altered the time and the evenings do seem long."*

On receipt of the news of the signing of the armistice on 11th November 1918 and the cessation of hostilities, the church bells were rung and a thanks-giving service was held in the Parish Church. As the survivors, including the injured, returned home they must have had some interesting stories to tell about their experiences. When the Treaty of Versailles was signed, on 28th June, 1919, it was reported that *"Throughout the village on Saturday evening, parishioners and visitors were in a most enthusiastic mood. Banners and flags were hoisted on the Church tower, and on chimney stacks at the principle residences. Rockets and other fireworks made things very lively, and the bells of St. Mary's Church rang out merrily. The report of guns was incessant, and the residents of the main street got little rest until the early hours of the morning. At the morning and evening services at St. Mary's on Sunday, the National Anthem and special hymns of thanksgiving were sung."*

In August, 1919, a village Victory And Peace Fête was held. It started with an open-air service of thanksgiving. A cricket match between 'married' and 'single' was won by the former. After the judging of the decorated cycles, prams and horse turnouts, a procession around the village was led by the Ampthill Band. Following the baby show (won by Myrtle Tiffin) a free tea for the children and a 'substantial repast' for the

adults was provided on the rectory lawn. To mark the occasion, upwards of 100 sailors and soldiers of the parish were the recipients of silver medals, provided by the parishioners and presented by the Mid-Beds MP, Max Townley. After the traditional country sports including egg and spoon race, three-legged race and the sack race, a huge bonfire and fireworks concluded the day's celebrations.

The war memorial is a lasting reminder of the 'ultimate sacrifice' that 24 villagers made and the effect it must have had on their families and neighbours.

Let's talk about Tax and Cars

with Sally Cobban

The tax office doesn't really like people to have cars through their own limited companies and business so it has made some harsh tax consequences. There are also cash-flow issues when looking at cars. I'm going to talk about cars for people who are self-employed through their own sole trader or limited company.

Firstly, from a cash-flow perspective there are many ways to finance a car these days. If you purchase a car – even if you HP it or have a loan – then as long as you or your business own it, you can claim capital allowances for it. (You can't claim the VAT back on a car if you are VAT registered.)

Capital allowances are a tax deduction that's based on CO_2 emissions, so the lower the CO_2 emission on the car then the higher the tax deduction is (see rates below). Both companies and sole traders can claim capital allowances for cars. Unfortunately, there aren't many cars around that fulfil the lower CO_2 emissions.

If you lease a car – and therefore don't own it – no capital allowances can be claimed. Instead you may be able to claim the lease payments (or some of them) as an expense in your accounts **BUT** you need to watch out for CO_2 emissions again as a percentage of the lease payments won't be deductible and only 50% of the VAT is claimable if you're VAT registered.

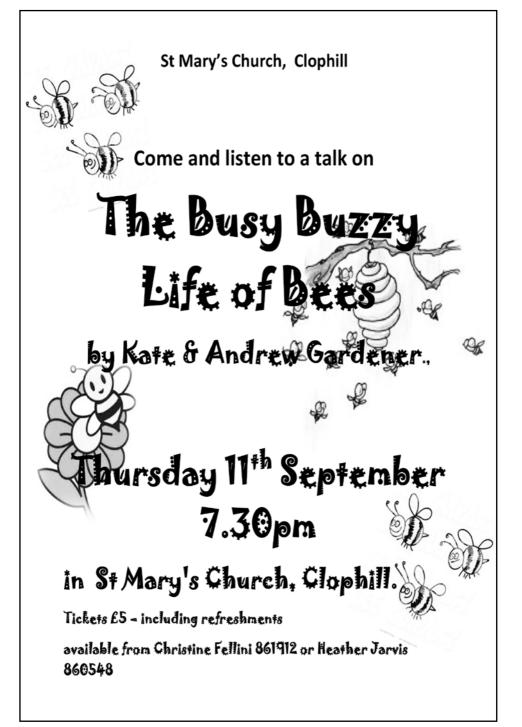

If you're a limited company and you're leasing or owning a car then provided that it's not a pool car you'll also have to incur a P11D – personal tax charge on the driver of the car – all based on the CO_2 emissions, as the car will get taxed as a benefit in kind to the individual.

CO2 Emission summary table for petrol and diesel car

Multiply the list price of the car by the % to get the number that will get taxed as a personal benefit in kind through a limited company.

Clophill Preschool News

We hope you've all had a wonderful summer holiday. We're really looking forward to our second year of Clophill Preschool and aim to make this next year even better than the last.

If you haven't yet had a chance to visit us or read some of our previous articles have a look at the poem below that one of our brilliant parents, Vicky, wrote for us to sum up our first year. Vicky read this out in front of everyone on our final day of term and had many of us recalling fond memories, laughing at all the fun times and, of course, crying as we realised just how much our Preschool means to all our children and their families.

The Phoenix

'Twas the last month of term 2013 The future of ZigZag was in doubt it would seem So the doors were closed on the last day of term But the children were sad; there was no place to learn

The holidays passed and September soon came And a phoenix was seen to rise out of the flames Who's that at the door? It looks just like Chris Really, they said, this is taking the...

So at first it was just a snug group of two My little boy and Daisy Doo They liked making changes and tried things that were new And the children found amazingly great things to do A wedding! A rocket and they built their own car They danced and they sang (a very annoying monkey song)

They were filthy in mud with huge grins on their faces And they made hotels to keep all the bugs in one place! They played outside in the wind, rain and snow They saw flowers and spiders and watched vegetables grow They met the police, the reverend, a chicken and a mole... And anything else Chris can trap in a hole! Snack time was good trying persimmon and peas And sometimes there were olives with the biscuits & cheese! By the spring the numbers were well over double And Imogen was seen floating around in her bubble For Mother's Day she emerged as a gold butterfly She stole the show, I thought I might cry (with laughter)

Fast forward to Pirates and Treasure...What Ho! A treat from Julie, an Imajica show! A visit from Ofsted, who graded them good Sports Day for all and a trip to Wood (side!)

So a year has passed Please, let's be upstanding We're the parents ...and we say Your Preschool's OUTSTANDING!!!

This is why we started our journey back in September 2013, so the children of our village and the surrounding villages had a chance to experience all these fantastic fun activities we love to offer. We focus on the introduction of information and ideas linked to the individual's interests and curiosities rather than prescribed topics and a rigid rota of activities day in day out.

So if your child loves to play outside in the mud or search for insects and bugs, or enjoys imaginative role play or mixing colours in the palms of their hands, please call us on **07732 872685** or just pop up to Clophill Village Hall and have a look at what we offer. We're always happy to show you around. *www.clophillpreschool.co.uk*

Clophill & District Flower Club

Left pic: Gillian Thomas's 'Slant of Light' arrangement. Right pic: Linda O'Toole's 'Afternoon tea' made with natural plant materials

Our club is always active and we enjoy using our skills and love of flowers at every opportunity. In June, the Home Counties Area of NAFAS held the **Area Floral Art Show** at Hatfield House, where the best of arrangers from Bedfordshire, Hertfordshire and Essex compete in different classes.

Our club was well represented and were very successful. In the Inter-Society Class called **'Summer Fling'** we won 1st prize, staged by Lesley Sturdy and

Brenda London. Our members Jane Williams, Gillian Thomas, Linda O 'Toole and Carolyn Cranswick all **gained 1st prizes** in four other classes as well as two 2nd prizes and 3rd prize. We were awarded 'The Best use of Garden Plant Material' and 'The most imaginative use of plant material'. Three of the prize winners are students at our Flower Arranging Classes.

The **World Floral Art Competitions** were held in Dublin in June and 10 of our members went to see what inspirations we could gain from the competitors. It was a fantastic show and we came away with lots of ideas.

In July, we staged a Flower Festival at Campton Church. The theme was **'A Commemoration of Life in 1914'** and featured life in Campton in 1914 in the Village School, at Chicksands Priory and in the Manor House.

During the summer our members also arranged flowers for four weddings. The money we raise from this service helps to fund our club and we also

donated to our favourite charities. Carolyn Cranswick, Chairman of Clophill and District flower Club

• Our meetings are always entertaining and informative and we welcome visitors to every meeting. Details of our popular flower arranging classes are available from Carolyn on 01462 815433.

On October 2 we're having a 'floral dabble evening' – just bring a pair of scissors and join in five different activities

> For our meeting on Thursday 3 July we welcomed Lisa Howarth, who is not only a flower arranger and demonstrator, but also has her own floristry shop, 'Blooming Lovely Florist Ltd' at Upper Caldecote. Before moving into floristry, Lisa studied horticulture at Cambridge Botanic Gardens – where here claim to fame was being **pushed in a wheelbarrow by Alan Titchmarsh** for a charity event!

Lisa demonstrated six beautiful arrangements in a variety of styles, using gerberas, roses, gladioli, lilies, orchids and a range of fresh greenery. She also gave us **some great tips** – like using olive oil instead of leaf shine on large leaves and removing the tops of gladioli flowers, as they tend not to open. *Joan Tarmu*

Christine's quick 'n' easy recipe Cod Neapolitan Style

INGREDIENTS Serves 4 as a main course

- 800g fresh cod loin
- 1 large clove of garlic
- a splash of extra virgin olive oil
- tin of chopped tomatoes
- 10 pitted black olives, chopped
- 1 tbsp sultanas

- 1 tsp of capers (washed if using salted ones; rinsed if using capers in brine)
- 1 tsp pine nuts
- plain flour for dusting
- salt and freshly ground black pepper
- handful of chopped flat leaf parsley
- vegetable oil for frying
- 1. Heat the olive oil together with the garlic clove until the garlic is golden but not browned (this can be discarded if you wish).
- 2. Add in the tomatoes, olives, capers, pine nuts and sultanas.
- **3.** Season to taste and simmer for about 15 minutes.
- 4. Cut the cod into portions, dry thoroughly, season and dust with flour.
- **5.** Fry the cod portions in the vegetable oil until a nice golden brown, then drain on kitchen paper.
- **6.** Add the cod portions to the tomato sauce and simmer gently for about 30 minutes until all the flavours have come together.
- **7.** Add in the chopped parsley just before serving.

Italians would eat this with some nice crusty farmhouse bread, but you could also serve with new potatoes.

Notes from the Annual Parish Council meeting held on 29th July 2014

Readers are reminded that this is a resume only of the meeting. The parish council minutes are published and can be found on the internet after they are authorised (approximately five weeks after the relevant meeting).

Public Question Time

There was one question from a villager who attended the meeting. It concerned the antisocial behaviour and foul language used by some youths, particularly at the recreation ground. The recreation ground is for use by all and this type of behaviour can't be allowed to spoil the enjoyment of the village by a small minority. Together with the PCSO the parish council will work to educate and try to stop this.

Police Report

The council was visited at the meeting by one of our PCSOs and gave a report regarding crime within the village. The previous topic was discussed to see what practical help can be given. She then gave an overview of crime and offences within the village. There had been two burglaries during the last month. This is a low number of offences BUT one such offence is one too many for us. The message, as always, is keep your homes secure and report suspicious people or incidents.

Fatality at the Lakes

Most parishioners will be aware of the tragic death of a 16 year old in the lakes at the old quarry site in Clophill. The parish council extended their deepest sympathies to the family.

The Lakes Site is privately owned by Evonik and they have a local office at Milton Keynes. The site was put up for sale last year and there were several interested parties, including one local developer. The parish council gave certain undertakings that were reported last year both in its minutes and Spotlight. Nothing, however, seems to have moved the situation on. The council has joined with other agencies to try to prevent any further accidents at this site. To this end a letter has been written to the Managing Director of Evonik seeking a meeting to discuss safety issues on the site to see if improvements can be made.

The Lands Committees

Recently the water main burst on the High Street. This is the second time in recent years that there has been a major leak. Anglian Water state that the water main needs replacing. Your parish council is liaising with the company to try to remedy the situation.

We're still awaiting a date from Amey (the Bedfordshire Highway's contractor) for the removal of the redundant footbridge at The Green.

Hay Close

Agreement has been reached by all parties for a way leave (right of way) over parish owned land. The legal agreement will ensure the protection, in particular of The Slade, from the use by equestrian traffic, which will be barred from using the parish owned right of way for access to fields to the west of parish property.

Applications Received by Central Bedfordshire

CB/14/02166/FULL

Location:	22 High Street
Proposal:	Erection of front porch to replace existing one
Applicant:	Mr A Myott

Proposal is to replace existing porch with one slightly larger and sympathetic to the dwelling. It almost exactly parallels an earlier (2008) application which was supported by the PC and approved by MBDC/CBC. There's no impact on neighbours, nor on the Conservation Area.

CB/14/02892/FULL

Location:100 High StreetProposal:First-floor rear extension to existing dwelling and erection of a three-
bedroomed dwelling with associated external worksApplicant:Mr V Bhandari

100 High Street is the west of the two semi-detached cottages to the immediate east of the school. The developer's proposal is to extend and modernise the interior of the two-bedroomed cottage, which extension will align with neighbour 102, and construct a three-bedroomed dwelling on the land immediately adjacent to the school, ensuring the provision for ample car parking within the curtilage. Much preparatory planning work has already been undertaken with CBC. The provision of a new three-bedroomed house is helpful. There are no planning reasons for objecting, however the school response, unlikely to be favourable, is awaited and the PC will ask for strict conditions to ensure privacy.

CB/14/02313/FULL

Location:	126B High Street
Proposal:	Change of use back to residential from D2 Leisure
Applicant:	Mr K Armstrong

Consequent on CBC approval for an overlooking dwelling at 126A High Street, applicant plans to convert present fitness facility at far end of garden to No 126 back to the original residential status. **SUPPORT**

CB/14/02708/PAAD

Location:	Mouse Farm, Shefford Road
Proposal:	Prior approval for change of proposed change of use of agricultural
	building to a dwelling house
Applicant:	Mr & Mrs M Hawkins

Proposal, outside the village settlement envelope, is to convert the existing redundant agricultural building into a dwelling, retaining much of the current appearance, on a

single floor on the same footprint. The proposal will contain a large kitchen/diner/sitting room, utility room, three bedrooms (all with ensuite and master with dressing room). Although PC has objected on grounds of new, additional ribbon development along Shefford Road, winter flooding of the site, and the unsuitability of facility for conversion, proposal is in line with the latest government policy for redundant agricultural facilities. PC response seeks to ensure that, if approved, only the immediate surrounding land and entry (and no more) is involved so that remainder of Mouse Farm may not be developed.

OBIECT

CB/14/03202/FULL

Location:32 Cainhoe RoadProposal:Two-storey side extension and single-storey rear extensionApplicant:Mr & Mrs Thoulass

Proposal is to extend this three-bedroomed 1960s house into a four-bedroom with an ensuite, and extensively modify and modernise the interior. The garage is retained, although brought forward. The extension faces the rear of a Back Street garden and won't impact on neighbours. **SUPPORT**

CB/14/03256/FULL

Location:	'Mayfield', Shefford Road
Proposal:	Demolition of flat-roofed garage and outbuildings, and erection of
	two-storey side/rear extension and conservatory
Applicant:	Mr & Mrs S Litchfield

Effectively, this proposal is to extend the rear and rear sides of this three-bedroomed dwelling into five bedrooms with a conservatory. The house is located on the north side of Shefford Road, the last but one before the Beadlow turn. There's no impact on neighbours nor the general scene. **SUPPORT**

Applications Approved by Central Bedfordshire

CB/14/01107/FUKK

Location:Land to east of Castle Hill Court, Shefford Road (Greene King site)Proposal:Erection of nine dwellings, including access from Shefford Road (six)
and through Castle Hill Court (three)Applicant:Greene King/Mr B Sherry

Proposal follows government authority for ten dwellings to be constructed on this site. Following detailed negotiations with CBC and responses by the PC and neighbours, the proposal (for nine dwellings) has finally been agreed with many conditions. These are designed to protect the privacy of neighbours, landscaping, the creation of a footpath along Shefford Road and a contribution to traffic calming. Three dwellings will be affordable, with access via Castle Hill Court. With strict conditions, the PC had supported.

CB/14/01684/FULL

Location:	10 Great Lane
Proposal:	Erection of two-storey part-side, part-rear extension, associated
	internal alterations, new front porch, replacement doors and windows,
	associated landscaping including formation of three new parking bays
	and refuse bin area and pedestrian external steps
Applicant:	Mr J Gill

Proposal seeks to enlarge and modernise house in dominant situation, providing parking space for vehicles and bins. Approval contains conditions re planting, need for parking area to be completed first to ensure no works vehicles or materials block the road and no changes allowed to approved plans. PC had supported with conditions.

CB/14/01867/FULL

Location:22 Goodhall CrescentProposal:Demolition of existing garage and erection of a two-storey side extensionApplicant:Mr 7 Mrs M Hollick

Proposal is to add a two-storey side extension to this semi-detached house, providing a fourth bedroom and retaining a longer garage. PC had supported.

CB/14/02140/FULL

Location:	32 High Street
Proposal:	Demolition of rear extension, with single-storey rear extension, part
	garage conversion with new pitched roof
Applicant:	Mr & Mrs G Toms

Within the Conservation Area, this row of 1860s houses does nothing to enhance that area. This proposal improves the house interior and, in a small way, is actually a visible improvement without impacting neighbours.

CB/14/02550/FULL

Location:	24 High Street
Proposal:	Erection of part two-storey part single-storey extension
Applicant:	Mr P Samuels

Proposal is to infill the inset south-west corner and extend the ground floor element to enlarge the existing small kitchen and add an ensuite wet room to the main bedroom. All this will be at the rear of the house and won't impact neighbours. PC had supported.

Application Withdrawn

Welcome to Clophill St Mary's C of E Lower School and Nursery

St Mary's is a Voluntary Aided Church of England Lower School based in the village of Clophill. We are a small friendly village school with close links to the local community, taking children aged from 2 years 7 months to 9 years.

St. Mary's is a Values Based school which provides children with a framework for living, tightly woven into the positive Christian ethos of the school.

Our vision at St Mary's is to provide a secure, inclusive and stimulating child centred environment, where all children are inspired to achieve their full potential. Our aim is that every child will develop as a caring, respectful member of the

community and society as a whole. We will achieve this through a creative curriculum based on our values, reflecting the Christian ethos of our school.

Wrest Park Day Nursery, Silsoe

Our beautiful nursery is based within the grounds of Wrest Park in Silsoe. We offer care for 0-5 year olds, 8am to 6pm, Monday to Friday. Our nursery is a spacious, open plan barn conversion which has been carefully & thoughtfully restored offering a large, bright & airy space. There is a designated area for our babies to move freely & safely as well as a quiet area for sleeping.

We offer all day sessions, am or pm sessions or a 9-3 'school day' session. We also accept childcare vouchers and over 3's funding. Please come and view our wonderful nursery and see how dedicated we are to making our setting an inspiring, safe and happy environment for your child.
