A word from the Editor...

We're back!

Well that was a lovely – if rather hot – summer break. I hope you all had a wonderful time, whatever you were doing. So now it's back to business and we're bringing you another issue of Spotlight filled with news and events from in and around the village.

Elsewhere, there are some interesting things happening this month. For example, did you know that on the 19th it's **International Talk Like A Pirate Day**?

Well, me hearties, it is – so break out that eye patch! It's just a bit of fun – and a great theme if you're planning any charity events around this time.

On a more serious note, on the 26th it's **National Fitness Day** when we're all being encouraged to get more active – not just on the day, of course, but in our daily lives.

Whether you're dressing up as Captain Jack Sparrow or sweating through a spin class – enjoy!

See you all again in October.

The job revolves around three annual meetings, where the clerk will be required to prepare documents to send out with the Agenda, undertake follow-up correspondence and distribute the Minutes to the Trustees. You will also need to keep financial records up to date and produce an accounts balance sheet at the end of the year ready for the Auditor. As well as these duties, the clerk will be the contact point for anyone seeking assistance from the charity.

Familiarity with email, Word and Excel is essential.

There is a small honorarium paid to the Clerk.

For more information please contact **Richard Pearson, Chair of the Trustees**, on 01525 861110 or **Gillian Hill, Clerk**, on 01525 860539

Come into the Garden

with Kate Gardner

September is one of the best times to get out and **start planting spring-flowering bulbs for next year, collect seeds from your favourite summer plants and divide your perennials** (I'm all for extra plants for free!). Most perennials benefit from division every two to three years, to maintain health and to ensure that you have a good show of flowers next year. Some of the plants that respond well to dividing are Agapanthus, Anemone, Bergenia, lily-of-the-valley, Crocosmia, Iris, ornamental grasses and sedums.

Dividing plants

Lift them gently with a garden fork, working outwards from the centre of the clump to limit root damage. Shake off excess soil so that roots are clearly visible. Some plants, such as Ajuga (bugle), produce individual plantlets which can simply be teased out and replanted.

Small, fibrous-rooted plants such as Heuchera and Hosta can be lifted in a clump and pulled apart gently. This will produce small clumps for replanting. For large, fibrous-rooted perennials, such as daylily, use two garden forks inserted into the crown back-to-back as levers to loosen and break the root mass into two sections. In some cases, a sharp knife may be needed to cleave the clump in two

Plants with woody crowns (eg Hellebores) or fleshy roots (eg Delphinium) require cutting with a spade or knife. Aim to produce clumps containing three to five healthy shoots. Add some fresh compost into the area that you have dug plants from to refresh the soil, before replanting the new divisions. Water them in well and mulch around the plant. Any spare or small plants can be potted up to grow on over the winter in a frost-free environment such as a porch or green house.

Collecting seed

Collect ripe seed on a dry day, as soon as the seed heads ripen (they typically colour change from green to brown/black or red, but must be before they open and shed their contents). Pick the seed heads, either singly or on stalks, and put them into paper bags or envelopes and allow them to fully dry. Don't forget to write the plant name on the bag. If they don't open when dry, gently crush pods and capsules to release the seed.

Collect seed from fleshy fruits and berries by mashing them in a fine sieve then rinsing away the pulp in cold water. Leave the seeds to dry for a few days on paper towels. Some seeds, like hellebore, are best sown immediately as their viability reduces with storage. However, for many species, sowing is best delayed until a more suitable time of the year, such as autumn or spring – a cool dry place in an old cake tin in the garage makes a great storage spot until they're ready for sowing.

- Next month I'll be explaining how to extend the growing season and still have colour in your garden late into the season.

Clophill Preschool News

Hi everyone – we hope you all enjoyed your summer and are ready and raring to go for Autumn!

At the end of July, we had a very emotional last day at Herring Greens Farm. We said goodbye and good luck to our leavers moving onto reception and to others who were moving away. Thank you everyone for all the support you give us and we look forward to another exciting year ahead.

Over the holiday Chris was lucky enough to be invited by Alex and Kim, who run Wild Roots at The Clophill Centre, to listen to a talk given by Jon Young. Jon is renowned worldwide for reconnecting people back to nature and its healing connection with individuals and communities. After Chris talked about her own experiences through preschool, Jon invited her to stay for the two-day workshop. This fantastic insight into **the importance of our connection to nature** has really compounded what we believe in as we continue our development as a woodland Preschool embracing nature, where children come to grow.

We've been busy over the summer improving our outdoor space. The children love the bank area as a place to climb and run down but because of the sandy soil it's getting eroded very quickly so **we've used old tyres to create a staircase and scramble wall** as well as a tree trunk climbing slope. This large-scale play helps with physical development, coordination and problem-solving as children test the limits of their capabilities while collaborating and exploring through nature. Our two, three and four-year olds will be finding their own boundaries, having fun and getting dirty all in the name of learning!

We start this academic year with more children than we finished with in July, which is a real landmark for our little Outstanding Preschool! As we have a lot of new children starting this term, there are a lot of home visits going on in the first few weeks. We're also starting **Stay and Play** sessions every Tuesday morning, from 9am-10-30am – the first is on Tuesday 11th September. Parents/carers are invited to join us with their children aged 18 months to 4 years and explore all the fantastic resources both inside and out. Sessions are free and refreshments are available. We also have Katie from Silsoe Dance School back and hope to introduce Chris, the music man, to our sessions.

Our fundraising continues this term with our next **Happy School Bags clothing collection** on Wednesday 14th November. We're also holding a Christmas Market in the Village Hall on the evening of Tuesday 20th November, so we're busy contacting stall holders to create a varied and fun selection of Christmas gifts and fayre. If you have a cottage industry and would like a table do get in touch.

We look forward to telling you about our first month back – it's bound to be more muddy, more fun and more exciting than ever!

Clophill & District Flower Club

It was a very warm evening at the beginning of July when we enjoyed a demonstration by Lionel Clark from Essex. Lionel is a popular demonstrator who first came to Clophill in 1993 – this was his 11th visit, and sadly the last, as retirement beckoned.

In keeping with the season Lionel started his **'Pick 'n' Mix' demonstration** by producing a large basket that he proceeded to fill with foliage and yellow sunflowers. For the next arrangement, spectacular Anthuriums in cream and pink were arranged in a horizontal

style in a very tall, slim vase. A small metal bike formed the basis of Lionel's third design, and then came red roses in a vertical style in a tall red vase. This was joined by another complimentary design using bright orange Gerbera.

For the finale, Lionel used a wicker chair – which he thought was suitable for an early retirement. To this he added another smaller wicker chair with matching flowers which was for 'visitors' who came for coffee.

The lucky raffle winners not only took home the flowers but the containers too, as Lionel was 'downsizing'. We'll be sad not to be able

to welcome Lionel to Clophill again but to ensure he remembered us he was presented with a pen engraved with the club name.

Christine Baker, committee member

Money raised from Songs of Praise

The 2018 Songs of Praise was held on Sunday 1st July on The Green, which had been specially cleared by the water engineers for the event. About 80 people gathered for the annual event, including the Luton Band of The Salvation Army and members of the Greensand Community Choir.

As 2018 is the 100th anniversary of the end of the First World War, the hymns were chosen from those used at the time in memorial and thanksgiving services, finishing with everyone standing to sing Jerusalem before a night prayer. The hymns were introduced by people from a variety of Christian traditions, with ages ranging from 14 to 77 years. The choir contributed two songs as an interlude.

The collection taken to support the work of The Salvation Army **raised over £175**, for which the Army Captain sent us his thanks. *Ian Gordon*

Remembering Clophill's Fallen

Continuing our series of the centenary of Clophill's brave men who lost their lives in the First World war...

In September the village lost the first of its serving men to disease. **Ernest William Young** died of influenza on 16 September 1918; he was 35 years old and the only man commemorated on our memorial to have served at sea.

Ernest was born in Clophill in 1882, son of William, a butcher, and Hannah. By 1911 Ernest was also working as a butcher, living at Riverdene, High Street, with his wife Elsie Maud and their two young children. (They had three children at the time of his death.)

Naval records show that Ernest was 5ft 10in, had brown hair, hazel-coloured eyes and was of very good character.

Ernest was originally based at shore barracks at Chatham, but in March 1918 he was transferred to HMS Africa, a pre-dreadnought battleship, which was based mainly at Sierra Leone and escorted convoys between there and Cape Town, South Africa. His rank was Ordinary Seaman.

In September 1918, while based at Sierra Leone, some of the crew became ill. The first death came on September 9, and as the month progressed the death toll increased each day. Burial parties were sent ashore daily, and the ship was put into quarantine. By the end of the quarantine on September 30, 52 crew members had died of illness. The Spanish flu (January 1918-December 1920) was one of the deadliest natural disasters in human history, infecting 500 million people around the world and resulting in approximately 50 million deaths.

Ernest is commemorated in the King Tom, Freetown Cemetery in Sierra Leone and is the cousin of S W Young, also on our memorial, who had died two months earlier.

Public feedback on leisure centres

Central Bedfordshire Council (CBC) are seeking public feedback on their six leisure centres, including finding out what would encourage those who currently don't use them. One of CBC's main priorities is improving the health and wellbeing of residents and the feedback will help them to improve their future services.

At a time when public services across the country are being squeezed, CBC have invested in new and improved leisure facilities. In January 2013, they adopted a new leisure strategy that provided £40million worth of investment to support active lifestyles and help improve public health. As a result, CBC have seen the numbers of people using leisure centres increase, but they want to know what else they can do to encourage more people to use them. They want both users and non-users of the leisure centres to give their views.

The survey runs to 16 September. Paper copies are available from local libraries and leisure centres or you can complete the survey at <http://www.centralbedfordshire.gov.uk/council/consultations/leisure-centre-survey-2018/overview.aspx>

Village shop

There has been a lot of speculation about the re-opening of the village shop and Post Office, which has recently been undergoing renovation works. This is a business matter beyond the control of the Parish Council. We do know that, at time of writing, Co-op are still making plans to move into the site (see 'Planning' section) but these matters do take some time. Once we hear any firm information, we'll be sure to let you know.

Parish Council Vacancy

We're still looking for someone to join our Parish Council. The role, which is unpaid, involves attending monthly meetings and spending an hour or so a week reviewing and responding to information. Training will be given. For more info and an application form contact James Stirling at clerk@clophill-pc.gov.uk or write to him at 31 Plum Tree Road, Lower Stondon SG16 6NE. You can also view information at www.clophill-pc.gov.uk
