A word from the Editor...

Welcome to the February issue of Spotlight

Dear Reader,

We're back!!

Spotlight returns after our winter break.

During this rather gloomy time, here are a few pictures to remind us that Spring is on the way; it's just around the corner and brighter days will soon be with us.

Best wishes, Elaine

Come into the Garden

with Kate Gardner

February is a great time to be planting trees and as BBC Countryfile launches Plant Britain; an ambitious two-year challenge aimed at galvanising everyone in the nation to get planting, I thought I would look at trees that you can grow in your gardens. No matter how large or tiny a space you may have everyone can plant a tree to help combat climate change and at the same time, boost our wellbeing and wildlife.

When choosing trees for small gardens it is worth considering just how much space you have and which seasons of interest best suit your planting scheme.

Height and spread: This is probably the most important factor. Even small ornamental trees may, over time, reach a height of 6-8m (20-26ft) or more. If this is too much, consider a weeping form, as these rarely increase much in height. If spread is a problem, such as in a very restricted area, consider a columnar tree, as these do not spread much.

Season of interest: think about flowering time, foliage, fruit and bark. If you only have room for one tree ideally look for one with more than one season of interest such as fruit or autumn colour following on from flowers.

Deciduous or evergreen: Both types of trees have their advantages, the obvious one for evergreens being that they keep their leaves throughout the year. But many deciduous trees provide lovely autumn foliage colours not available with evergreen trees.

To avoid planting a tree too large for the site, it may help to draw a scale plan of your garden and plot the size of your tree at maturity. If planting in the corner of your garden, be aware that most of the canopy will shade neighbouring gardens.

Good trees to consider include *Acer griseum* or the paperbark maple which is a smallish tree with flaky bark that reveals cinnamon coloured bark and great autumn colour. *Amelanchier* which has white flowers in spring before the bronze tinted leaves emerge in the spring. This one also has great autumn colour. *Sorbus* which have white flowers in late spring before the yellow, orange, pink or white berries follow (depending on the variety). The autumn colour is spectacular and the berries provide a valuable food source for the birds. *Cercis canadensis* has heart shaped leaves with bright pink flowers which open on the bare stems before the leaves open in the spring. This has the most amazing red autumn colour. *Hamamelis* (witch hazel) have citrus yellow to red flowers in late winter with the most amazing fragrance and an important winter source of food for insects.

Growing trees in containers is ideal for small gardens or where space is limited, such as on a patio or terrace. Japanese maple, Olive, Bay tree and apple or pear grown as a fan, espalier or cordon are great choices.

Start by choosing containers that are large enough to house the rootball of your tree. Ensure that the container has plenty of drainage holes. Do not put a small tree in a very large container. Most trees will thrive in a loam-based compost, such as John Innes No 3, which is fairly heavy, providing good stability. Before planting, add some pieces of broken terracotta pot to the base to stop compost washing out of the holes and raise up on pot feet to prevent waterlogging under containers. Trees in containers will dry out far more quickly than those growing in the ground and will need regular watering. Keep the compost moist, but not wet.

Happy Gardening

St Mary's School News

What a start to the term we have had! None of us wanted to be in a National Lockdown, but it is a situation we sadly find ourselves in. Our thoughts and prayers are with everyone who has suffered with Covid-19 or lost someone through Covid-19. Our eternal thanks go to all NHS workers who are doing the most amazing job in such challenging circumstances.

We are very proud that with less than 12 hours' notice we were able to open our doors to children of critical workers and vulnerable children. We were also able to offer remote learning to all children remaining at home from the first day of term. Our offering has evolved over the weeks and we cannot thank enough our amazing parents and carers for their ongoing support. We miss all our children who are currently learning remotely and cannot wait to see them all when we can.

We have had some good news this half term as we have taken delivery of our new ICT equipment, following the upgrade of our IT infrastructure. It has made such a difference to all in school. We also launched our brand-new website last term, which has a wealth of information and can be found at: <https://www.clophillstmarysschool.co.uk/>.

We continue to post regularly on our school Facebook page as well, and this can be found at: <https://www.facebook.com/clophillstmarysschool>.

We are delighted to be supporting CHUMS with their Shine Bright, Wear Bright campaign this month.

Acorn Nursery News

Our Nursery is an integral part of the school, where we start Values Education from an early age and teach the Early Years Foundation curriculum through continuous provision resources, adult led activities and child-initiated learning. It offers a great opportunity for transition into school life.

We welcome children from 2 years 7 months to 4 years into our nursery, and offer 15 and 30-hour funding, with no minimum or maximum number of sessions a child can attend. If you would like to visit the nursery, or find out more information then please contact **Mrs. Hayes**, Nursery manager at nursery@clophillstmarysschool.co.uk or by calling the main School number, 01525 860206.

Our new topic this term is 'Once Upon a Time'. We've enjoyed listening to (and exploring through activities), the stories of 'Goldilocks and the Three Bears' and 'Zog' so far

Jake (the school dog)

Jake had a wonderful Christmas and was very spoilt! Jake has really grown over the Christmas break- and it was lovely to see him back at school. We are currently working with him- walking to heel, off his lead- with mixed results but he is a quick learner! He loves chasing balls and paper and has endless energy. We are hoping he will soon be able to accompany our staff when they undertake 'time to talk' sessions with some of our children.

Our Value for Febuary is *Endurance* (Perseverance)

The Value for the month of February is Endurance (Perseverance). In school we will be reflecting on the importance of not giving up even when we find things difficult. We will also be thinking about the fact that Endurance and Perseverance are only possible where there is hope. We will also consider the types of things that last forever and that withstand difficulties.

At home, you could think about times when you have found something hard but didn't give up. How did you feel once you had succeeded? What steps did you take to help you succeed? Could you give advice to someone who was finding something hard?

Clophill Preschool News

Hello everyone,
Mud, mud, mud and more mud! We have been spending a lot of time outdoors in the wet and rain and mud. This is why everyone comes to preschool fully toggged up in base layers, waterproofs, wellies, hats and gloves...staff included. To be able to get stuck into the mud kitchen, build with the logs and tyres in the large construction or sit in the gravel pit to play, you need the right gear!

When we reopened in June, we made a conscious decision to take preschool outdoors all sessions. While we have always embraced nature and the outdoor environment for all that it offers, it was only previously on Fridays that we pushed to stay all sessions outdoors.

What we are discovering now, as we realise the longevity of the global situation is that we need to ensure the changes we make are sustainable; that what we do is what we will continue to be. The real test of this is the weather, while our 3- and 4-year-olds are more

than able to cope in the rain and cold, our two-year-olds can struggle at times. We now offer hot drinks during session and parents have been great at sending in hot food flasks for lunch which has really helped keep tummies warm. However, as a setting that is renowned for its excellent care and understanding of children with additional needs, we also must consider how those children use our space on a cold and rainy day; wheelchairs and rollators can be tricky to manoeuvre in the mud. While we believe every child should experience the feeling of rain on their face and

catching snowflakes on their tongues, we must be mindful that those most vulnerable children are kept warm during our coldest days.

What we have come to realise in these past few months is that the ability to be flexible and to challenge difficulties and turn them into positives is the best way forward. We can use our indoor space when the weather gets too awful but that doesn't stop us going outside. What remains at the heart of our ethos is that nature is the greatest of healers and the greatest of teachers, but this goes hand in hand with experienced staff building on their relationships with the children to further their learning through play no matter where they are.

Our older children have been story telling and starting to write simple words as they attempt to story write, staff are on hand to assist with scribing and modelling the writing as the children dip into their imaginations. There has been lots of hide and seek and physical play, with children playing in groups, collaborating, running, counting and building relationships. Our book corner has also been very busy with children very keen on the non-fiction books and those about people who help us. The children have done their own helping out by looking after the chickens; clearing out their coop and giving them a cuddle. Chris has had the fire going and the children sat round to keep warm and cooked marshmallows.

We have more and more children applying for places with us and are delighted that our approach to teaching and learning is what so many people want for their children. This past year has been our busiest yet and while this term started off a little wobbly thanks to Boris, we are going from strength to strength. We are harnessing change and benefitting from it.

Imogen, Chris and the team

Oven Baked Pasta with Chicken & Bacon (Serves 6)

INGREDIENTS

- 400g dried pasta shapes e.g., Penne or Rigatoni
- 1 tbsp vegetable oil
- 3 large chicken breasts (cut into bite sized pieces)
- 1 large onion (peeled and chopped)
- 1 red bell pepper (de-seeded and chopped)
- 1 yellow bell pepper (de-seeded and chopped)
- Pinch of salt and pepper
- Pinch of chili flakes (optional)
- 2 cloves of garlic (crushed or chopped)
- 1 tbsp tomato puree
- Half tsp each of dried oregano, and thyme
- 800g tinned chopped tomatoes or passata
- 120ml sour cream or crème fraiche
- 6 rashers streaky bacon
- 100g mature cheddar cheese, grated
- 100g mozzarella cheese, grated (or chunks of soft mozzarella)
- Small bunch of chopped parsley, chopped, for decoration

1. Preheat oven to 170 Fan.
2. Prepare pasta by boiling in a large pan of salted water. Cook for 1-2 mins LESS than time recommended. When cooked, drain and put to one side.
3. On a moderate heat, add oil to large frying pan. Cook chicken until just sealed (about 5 mins). Add onions and cook 3-4 mins until soft/translucent.
4. Add chopped bacon (cook until slightly crispy) then add peppers, salt and pepper, garlic, tomato puree, oregano and thyme. Stir and cook for 3 mins.
5. Stir in tinned tomatoes and cream, and slowly bring to gentle bubbling heat. Add pasta and bacon pieces. Stir together. Transfer to large baking dish.
6. Top with cheddar and mozzarella. Place in oven for 20-25 mins until top is golden brown. Remove from oven, garnish with parsley.

The Flitvale WLT Local Group Zoom Series of Lectures 'Future Wildlife'

A talk by Brian Eversham, CEO of the Wildlife Trust, BCN

24 February (7.30pm) - delivered via Zoom to your home!

What might our wildlife be like in 50 years' time, if the Trust succeeds in its aims (or not)? A thought-provoking discussion of future habitats and the species which may live in them, especially in response to the warming climate.

Don't miss out on these fascinating talks! - Please contact Ann on **flitvale.info@gmail.com** if you wish to participate in these talks. She will then send instructions on how to log on nearer the time.

Also please let Ann know if you wish to receive monthly copies of our newsletter by email.

The Wildlife Trust for Bedfordshire, Cambridgeshire and Northamptonshire

Registered charity number: 1000412

Explore the Greensand Country from your home

As a resident of Clophill you are in the fortunate position of also being a resident of **Greensand Country**.

Some of you will be aware of this beautiful and much loved landscape of the Greensand Country which is defined by the Greensand Ridge, a band of higher ground stretching from Leighton Buzzard to Gamlingay, which rises out of the surrounding vales to create a unique local environment.

Others of you may be completely unaware of just what is on their doorstep. The Greensand Country area contains all of Bedfordshire's remaining heathland, more than half of its woodland and 29 historic parklands. It is a landscape rich in wildlife and cultural heritage, with its own special qualities and sense of place. A 'green oasis' of peace and quiet, rolling countryside, breath-taking views and lots more.

In January 2017, a National Lottery Heritage Funded Programme was established to deliver up to 90 projects, helping to raise awareness of the heritage value of the landscape and to reverse the gradual decline in the

distinct landscape character. Led by a partnership of 24 organisations working together and co-hosted by The Greensand Trust and Bedfordshire Rural Communities Charity, the vision was for Greensand Country to be a living and working landscape that is cherished by present and future generations. The programme has achieved a number of major milestones, from creating new walking, cycling and horse riding routes, to rebuilding sandstone structures, training apprentices in heritage and landscape skills and the creation of the ever-popular Greensand Country Festival, which will return in May 2021.

The festival, like many others last year, was curtailed due to the Covid-19 pandemic, however the Greensand Country Festival 2021 is determined to come back with a bang. The month long event will be a celebration of the area, which encourages those living within the landscape to get out and explore the outstanding countryside on their doorstep. Watch out for a comprehensive festival guide being delivered to your door. This guide not only covers the festival but the entire Greensand Country experience, giving you lots of ideas of where and what to explore for the whole of 2021.

Due to the Covid-19 lockdown people have been spending more time outside and this has been a great opportunity to explore the local landscape. Greensand Country has numerous trails available to cycle, run or walk which will take you into the heart of the countryside. But there is so much more.

There are numerous hidden gems to find and explore. Use the [Greensand Country interactive map](#) to plan your day out. There are places to shop, eat and drink. Why not support local businesses, by enjoying great experiences and discovering unique products in Greensand Country. Stop off at a pub or tearoom after a day of walking to enjoy locally sourced, and home cooked food. Or shop for antiques and unique handmade crafts in one of Greensand Country's picturesque villages.

For a fun day out with the kids you could visit Leighton Buzzard Narrow Gauge Railway. This is one of the last survivors of 2-foot (610mm) gauge light railways built in Britain for industrial use.

There is also beautiful Moggerhanger House and gardens. This grade 1 listed Georgian House is located in 33 acres of stunning park and woodlands.

Or if you prefer to connect with nature you could try otter spotting on the River Flit. If you're lucky you might see an otter hunting in the river, or signs that an otter is nearby. Look out for bubbles under the water or slipways made by the belly of a sliding otter.

Greensand Country is a place where people feel able to slow down, unwind and connect with nature. Somewhere to escape urban life, breathe easy and feel uplifted. Come and discover it for yourself!

To find out more go to www.greensandcountry.com.

Further information on matters mentioned here are posted on the Parish Council website: www.clophill-pc.gov.uk .

With the 'Happy New Year' greetings now well past, your Parish - and Ward - Councillors gave up another of their evenings to the benefit of the village, although they hadn't been idle over the last couple of months by the sounds of it.

They were joined by a good number of interested members of the public.

Before the main agenda items were discussed **Steve Rodell** as Chair commented on the state of the trees in Pinehill, noting that there were some dangling and fallen branches and the consequent need for action to tidy them up. Thanks were extended to **Andy Gardner** for helping there but more work is required. The Christmas tree on the Green was much appreciated and it could be even larger next year. Particular thanks to **Craig Nester** for initiating volunteers and helping make it a success.

The newly erected **Lakes signage** was discussed with some concern they could be misleading as the Lakes are not yet open to the public. Many people had already gone down **Jacques Lane**, only to discover that there was no entrance to the site. It seems that the sign - and there is another in the village – was erected early and the Greensand Trust will attend the next meeting to provide the village with an update on wider progress of the parkland that is now very close to delivery (see notes later).

Our Ward Councillors gave CBC updates:

- COVID-19 and budgeting dominated the last month.
- 16 x COVID Marshalls have been recruited who are giving advice on what businesses and the public are allowed to do – and not to do.
- Discretionary business grants can be given to companies forced to close, including those which have no premises, noting that monies are still available. Potential claimants should contact Cllrs Blair, Smith or Duckett to apply.
- Other issues included the continuing, wrongful use of the Causeway by heavy lorries.
- The current Speed Limit Consultation along a stretch of the A507 was discussed. It was felt that 40mph would be preferable. The Council will suggest a raft of measures to CBC depending on the results of it's investigation into safety.
- Praise was given for the retiring Bedfordshire Chief Fire Officer.
- The local surgeries will be using the Rufus Centre for vaccinations and it is hoped that these will start on 18th January.
- The 'Trees Fund' grant can still be applied for until 28th February and it is for the planting of hedgerows and trees.

Clophill Parish Council

Continued

Other business was discussed, including:

- Approval of a **Woodland School** linked to **St Marys** to use Parish owned woodland adjacent to Townshott allotments.
- Residents from **Jacques Lane** have written to CBC to express concerns over the behaviour of the developer of the recently built houses. Namely mud left on the road, removal of a suitable lamppost and the later replacement by tall, very bright and inappropriate lighting; and repair to the road and passing place damaged by HGV deliveries. CBC have been informed and the Enforcement Officers are taking note. The Ward Councillors will also follow this up.
- **Lakes development.** The land transfer is imminent and members of the GST will be available to attend the next Parish Council meeting to give an update.
- **Neighbourhood Plan** - the draft of the plan is with the consultant.
- Road naming at the Lakes development - five suggestions have been submitted (the developer will choose three) including Parker Eaton, Robotham, (subject to consultation), **Quarry**.... **Clay**.... and **Goose**.... (suffix to be determined).

Cllr Mantini then presented the precept and budget for the year, where he thanked the Clerk for all his help. He stated that there were savings made over the past year as there were fewer admin charges and grants made, thus it was now in a comfortable position; having decent reserves to be able to fund capital projects upfront, rather than having to dig into reserves. After discussion it was decided to leave the precept unaltered for this year, to be reviewed in 2022.

Cllr Breed then updated the Council on progress regarding transferring land at the bottom of Cainhoe Rd to the Parish; this is to be progressed with confirmation of likely costs. After a very brief financial report, the meeting closed at 22.15; when members of the public thanked the PC members for their time and work on our behalf.

Next Parish Council meeting is on Tuesday 23rd February at 7:45pm, online via Zoom.

Planning

CB/20/04732/FULL

Location: 1 Shefford Road.

Proposal: Construction of dwelling and associated parking.

OBJECT

CB/20/04567/VOC

Location: 3 new houses in Jacques Lane.

Proposal: Variation of Condition 8 of planning permission CB/16/04854/FULL (Erection of three dwellings). Amended condition to reflect the revised drawing PL 001 revision A which shows the current parking and vehicle turning area.

OBJECT

CB/20/03077/FULL

Location: Land South of Top Farm, Shefford Road.

Proposal: Change of use of land to mixed use. Permission is sought for consent for one residential static caravan and one touring caravan, parking for two vehicles, water treatment plant and associated additional hardstanding and infrastructure. (with alterations to the consented stable & barn).

OBJECT

CB/20/04427/FULL

Location: Warren Stables, Warren Lane.

Proposal: Extension to existing equine exercise arena including change of use.

SUPPORT

CB/20/03847/MW

Location: Cainhoe Quarry.

Proposal: Erection of covered waste facility building (extension to planning permission 18/01243/MW) and retrospective approval for the installation and use of recycling plant.

OBJECT

CB/20/04354/FULL

Location: 116 & 118 High Street.

Proposal: 3 New build dwellings, following the demolition of 2 existing dwellings.

OBJECT

CB/TRE/20/00689

Location: 3 Hawthorne Close.

Proposal: Works to Trees Protected by Tree Preservation Order MB/94/00003/G1: Reduce three Oak Trees by 30-40%.

OBJECT

Clophill's Serving Survivors of WW1

By Sue Pearson

Continuing our series in celebration of Clophill's brave men who fought in and survived the First World war...

Albert Leonard Izzard

Born in Hall End in 1895 and known as Len, Albert lived most of his life at 126 High Street, Clophill, where his father-Charles ran a market garden. On the 1911 Census Len was living with his parents, Charles & Emily in what was then known as Church Lane. Charles was the Sunday School Superintendent at Clophill Methodist Chapel.

Len volunteered in February 1915, with four friends after an evening at the Rising Sun (much to the distress of his mother- especially as Len was an only child!) joining the 3rd Bedfordshire Regiment. He served initially in a horse-mounted regiment and later as a sharp shooter. He was sent to France in December 1916. Len was wounded and later gassed. He was hospitalised in the UK, later returning to fight and took part in a number of important engagements including Cambrai.

He was demobilised in January 1919 and awarded the General Service and Victory Medals. He married Elsie Gobey in 1916 and they had one daughter, Florence Ethel, known as Ethel. Ethel became the music teacher at St Mary's school, working there for 30 years. Her married name was Mason. Len passed away in September 1968, aged 72 and is buried at the Old Church.

Many thanks to **Tony O'Connor** for supplying Len's photograph and life story.

John Patsy Izzard was born in Clophill in 1882. In 1891 and 1901 he was living in the home of his maternal grandparents, William and Mary Whittamore next to the New Inn on the High Street. William was an agricultural labourer, but it is later noted he was an army pensioner. By 1901 John is a gardener, he worked for the Rev. Meyer. It is probable that John was the son of Emily Izzard, daughter of Mary before she married William. Emily later married James Samuel Everitt and their first children were twins. The family also lived in Clophill.

John married Ellen Shotbolt in 1903 and they moved to Watton At Stone, Hertfordshire so that he could continue working for Rev. Meyer. The couple had had two children before he went off to join the Northants Regiment in December 1915. He was 5' 7". He went to France in November 1916 and suffered a gunshot wound to his back. He was notified as missing in the Spring of 1918 and it was some 3 months later that his wife was notified that he was a Prisoner of War. He was repatriated on Christmas Eve, discharged because of his injuries. The family remained in Watton until John died in 1966 in Shrodells Hospital, Watford.

Parish Registers

We have had to suspend the Parish Registers for the foreseeable future, as the County Records Office is closed until further notice.

Thank You

"Thank you to all the households that decorated their houses for the Festive Season.

In these strange times I am sure that it brought a smile to many people.
It certainly did for me.

Thanks"

Kathrynn - resident of Tanqueray Avenue

TALKEASY Coaching

***Do you want to make a fundamental
difference to your life and don't
know where to start?***

My name is Lynn and I am a Life Coach.

I have extensive experience helping
with every aspect of life, e.g. support with
family issues, or your own financial,
emotional, or physical wellbeing.

My most recent project has been supporting
young teenagers in their place of education.

Be the change in your life
and contact me for a free,
no obligation chat.

The Stone Jug

A Free House

BACK STREET, CLOPHILL

A Proper Pub for Proper People

A family run village 'boozer' serving up great value, quality lunches that will fill you up without emptying your wallet! A pub is for 12 months of the year, 365 days and we're here for you on each and every one of them!

- 5 real ales, including 3 guest pumps that change frequently (see our Facebook page for details)
- selection of wines and Prosecco by the glass – or even better, by the bottle
- home-cooked lunches Tues-Sat, 12pm-2pm

REMEMBER OUR MOTTO

"A VISIT TO THE JUG IS BETTER THAN GOING TO A PUB"

CHEERS JOYCE, VIKKI & MARK

Clophill Preschool

**Your local Outstanding Preschool,
based at Clophill Village Hall -
welcoming children from
2 years of age.**

We'll help your child to become an inventive
and creative learner. With access to a fantastic
outdoor area, our focus is on natural and
exploratory 'play with a purpose'.
